

Mission

Our mission is to provide opportunities for people in poverty to transform their lives through the provision of microfinance services.

Core Values

Commitment to the Poor

Members are committed to loving and serving the poor and marginalised in the developing world, striving to enable lasting improvement in their lives, families, and communities. The needs, expectations, and wellbeing of the poor inspire everything we do.

Stewardship

Members are committed to being good stewards of resources, exercising a thoughtful and cost effective use of time, skills and finances. We promote excellence, professionalism and best practice in every aspect of our work, seeking to maximise every opportunity to fulfil the Association's Mission.

Respect

Members operate on the basis of respect for all people; in particular, Members aim to value fully each client and to affirm personal dignity and uniqueness. This respect is also the foundation for our Members' relationships with clients' communities and with others involved in our work - supporters, suppliers and colleagues.

Integrity

Members honour the trust placed in us by our clients, supporters, fellow members, and staff, endeavouring to manage all our resources transparently and in a manner that reflects our Motivation. We aim to do the right things for the right reasons, whether or not anyone will know.

Humility

Members are committed to modelling our behaviour on being of service to one another, and not on any supposed personal superiority or advantage (whether based on our position, influence, personality, wealth or otherwise).

Transformation

Members are committed to providing services, resources and encouragement that equip our clients, their families and communities for better economic prospects, new futures, new hope and dignity.

Motivation

Our motivation is the call of Jesus Christ to love and serve the poor.
